

WHO are we?

EA alliance of nonprofits, is a nonprofit membership association that was founded in 2000 by sector leaders united in the vision of a community that values the role of nonprofits and evidences that through adequate funding, positive public image, and active involvement of our leaders in civic and community planning and prioritization of stakeholder interests in policy setting.

EA alliance of nonprofits offers access and connection to nonprofit community leaders and stakeholders, provides critical information to build effective leadership, and represents the nonprofit community where it matters most.

“*EA alliance of nonprofits*, offers the best way for nonprofit leaders to connect with peers, and to the critical issues facing our organizations and the sector.”
